

Mike Kelly

PHOTOGRAPHER

Manchester, UK

Mike has worked with the BBC, Warner Music and a wide range of private and corporate clients across the UK and overseas. His work has been published in the Guardian newspaper and exhibited in the Manchester Photographic Gallery.

Mike's images have been used for the backdrop of the worldwide musical 'Fela!' and the basis for a portrait of Willie Nelson which hangs at the W hotel in Austin, Texas (proud moment).

Mike takes on a limited number of portrait, wedding and commercial commissions each year. Please get in touch for details of pricing and availability.
