TESTIMONIALS

What Our Clients Say...

Joseph,

Both my wife and I can't thank you enough for everything that you put into making our special day so memorable. Everything was fantastic from the moment we met to the wedding and even after!! The engagement pictures came out absolutely amazing and the wedding pictures were better than we could have ever imagined. The cinematographers were on the ball as well. We got to see things that we never saw on our wedding day! All around thanks to both you and One Little Wedding Group for making our wedding day so special! I would also like to say thank you for making the DVD of our wedding one that we will never forget. This is definitely, by far the best wedding video that I have ever seen!! From the music, to the black and white photos, to the recap of our whole night, we are very grateful to have met you and are glad we made the decision to go with you!!! To this day, people are still talking about how wonderful and creative the thank you cards were. How you made them are beyond me!! We will be passing your name around to anyone who we know that are getting married! What an outstanding job you have done!!!

Thanks again!!!

Joseph is truly an artist, both our engagement shoot and our wedding photos exceeded our expectations... He made us feel so comfortable in front of the camera and we thought we were high fashion models and loved every second of it. He captured moments we don't even remember, he is our life long photographer and will definitely be photographing the rest of mine and my wives life.

Tony produced an amazing video, so beautiful, so elegant, we felt like we were watching a hollywood production.

Joseph, Our wedding photos should be in Vogue, Vanity Fair, Harpers Bazaar.. Wow... When you said you are a Fashion Photographer, and showed us your portfolio, I knew you were the only one to create our dream wedding photos... Chris and I didn't want the typical wedding photos, and you gave us the total opposite.. High Fashion, Elegant, Movie Star Quality.

Thank you so very much... Liana & Chris
