CD/COPYWRITER

phoenix

Die-hard OU Sooners fan. Star Trek nerd. Lover of all things Apple. Sure, I'm proudly all of that. But like the big headline above says, I'm really a Creative Director and Copywriter.

For more than 25 years, I've spent my days coming up with award-winning ideas for all kinds of clients. From pizza franchises to power companies, cars to casinos, and everything in between. And now, I'm free to do the same for you. (Well, maybe not exactly free. But pretty darn affordable.)

TV and radio scripts. Print ads and outdoor boards. Web sites and banner ads. Direct mail pieces and more. I develop concepts and write copy for just about any advertising and marketing materials you can imagine.

So take a look at some of my work here. Then, shoot me an email or give me a call so we can get started. I'd love to help you create some attention-grabbing, customer-convincing, product-selling advertising.
