

Greg Rose

GREG ROSE DESIGN

Owner Greg Rose's background spans several spheres of visual communication: corporate identity, advertising, information design, interaction design, exhibitions, architectural graphics, and wayfinding. The experiential and physical nature of graphics for the built environment has especially incited Greg's curiosity and passion.

Since 2009, Greg Rose Design has served clients in healthcare, education, tourism, retail, insurance, professional services, entrepreneurship, and community development with a focus on quality and value.

Before founding Greg Rose Design, Greg led or participated with dozens of project teams that delivered great user experiences around the world for such diverse clients as The College Football Hall of Fame, The Pennsylvania State University, The Mills Corporation, Walt Disney Corporation, Children's Hospital of Pittsburgh of UPMC, and Sonae Sierra of Portugal.

As a member of the Society for Experiential Graphic Design (SEGD) and AIGA, the professional association for design, Greg Rose supports the advancement of his profession and pledges to uphold the highest standards of ethics and client service.
